

Introduction

Welcome to *LCA Today* for English and Communications. This student guide will help you to successfully complete all the important work in the main areas of the English and Communications course. There are four sections in this book:

Section 1: Key Assignments and Section 2: Reflective Journal

These sections will help you to successfully complete and reflect on your key assignments, so that you can earn the 4 credits on offer for assignment work.

Section 3: Preparation for the Oral Exam

This section will help you to prepare for the oral examination, which is also worth 4 credits.

Section 4: Preparation for the Written Exam: Sample Questions

includes exam-style questions based on the SEC sample paper, along with some sample answers. These will help you to prepare for the state examination at the end of Sixth Year.

I hope that you enjoy using *LCA Today*.
Best of luck!
